Objectives

Through this Kick-off project Webinar that will be the project launching, we want to start talking about the “Reflection on the impact of the pandemic of COVID-19 on local communities”; “Fostering a sense of belonging to Europe by strengthening the debate on the future of Europe”; “Raising awareness of the rich cultural and linguistic environment in Europe”, “combating misinformation and other forms of interference in the democratic debate, empowering citizens to make informed decisions by helping them to identify disinformation and promoting media literacy, with the involvement of journalists”; “Raising awareness of the importance of strengthening the European integration process based on solidarity “. This Webinar will also serve for the initial promotion of the project among local partners and other stakeholders.

We will be back soon for more specific details about daily activities
