“Volunteering Cities

ATHY

25th & 26th

February

2021

URBACT Transfer Network”

AGENDA

Transnational Meeting 5

«Volunteering Cities» Transfer Network

1. Introduction

In order to facilitate peer learning among cities in Europe, URBACT has promoted the Transfer Networks. “Volunteering cities” is one of the 23 transfer networks approved by the URBACT Programme for the second phase showing the good common work done by the partnership of cities.

In this moment the Network has reached the complete implementation period and it is time to reflect on the key lessons and on the best way to share it with stakeholders and other cities. The TNM 5 aims to, collectively reflect upon:

- Learning Logs
- Transfer Guide
- SDGs Action Plan
- Effective Sharing

In order to:

- Exchange and improve the SDGs Plans of the cities
- Keep improving the Learning Logs
- Exchange and improve the Sharing Period Performance

PLEASE have with you the Learning Log and the Transfer Guide

Athy please mobilise the whole ULG to participate.
